I understand

- The search for property to expand the program can take anywhere from 3 to 7 months. If after 7 months of submitting my application with fee, and a property is not secured, I can request a refund of the waitlist application fee, if desired. At that point, I understand I also relinquish my place in line.
- There is no guarantee that an opening will be available on the preferred start date. Openings are filled as they become available.
- Terra Luz will only be able to hold an offered space for 3 business days. If I do not confirm my intent to enroll my child within 3 business days of the offered space, I will lose that offered space. It will then be my responsibility to inform the school if I wish to be placed back on the waitlist, and I will be placed at the bottom of the list.
- That it is my responsibility to inform Terra Luz of any changes in details and if a place is no longer required.
- Applying for a part time opening does not guarantee the first choice of days.
- Openings are offered as they become available based on: the position in line and the availability in the child's age classroom.
- Once Terra Luz registers your child as a student, the annual supply fee and 1st month's tuition will be due when your contract is signed.
